A MESSAGE FROM MRS. BERLEMONT....

I was delighted with the outcome of our external moderation in Year 6 this week. All primary schools are visited on a three year cycle by qualified external moderators who look at the writing in Year 6 to quality assure the schools' assessments. The process takes a number of hours and is very rigorous. This week we had a visit from two moderators and our Year 6 team were congratulated on their excellent subject knowledge, how well they knew their pupils, and the accuracy of their assessments. 100% of their assessments were agreed as accurate! Did you know we have three qualified moderators on our staff team? Miss Parnell, Miss Zaher and Miss Crook have all been visiting other schools to validate their judgments in recent weeks.

GREAT FIRE OF LONDON

Congratulations to Year 2! We have received a lovely message from one of the qualified guides, following the day out in May:

"Please thank all the teachers, parents and children who came on our Great Fire of London walk. They were both brilliant classes and we had a lovely day. The children asked some of the best questions I have ever had and I thought their knowledge was awesome. Practically every child in the class could have led the tour!"

FOREST LEARNING

Year 5 have started off their term of outdoor learning by looking at the different shapes that are in the forest area. They were then challenged to build their own structure using regular and irregular polygons.

ATTENDANCE

Congratulations to  Lime Class in Year 3 who achieved the best attendance this term with 98.5%. Well done! The whole school attendance (Years Rec-6) for the same period is 95.7%.

Please help us to build on this excellent attendance by coming in to school every day, when you are fit and well.

Remember that if you have a problem with getting your child into school, let us know and we will help you - contact Mrs. Pinch (Attendance Assistant) in the school office.

WORKING WITHIN THE COOMBE ACADEMY TRUST

We are delighted to announce we will be launching, as of September 2019, CAPA - The Coombe Academy of Performing Arts. This will be available to boys and girls, aged 9 upwards, from the local community and will run on Saturdays. We are pleased to announce that **any pupils currently studying in a Coombe Academy Trust School will benefit from exclusive access, discounts and bursaries.**

We look forward to working with other children across the Academy Trust in September on this exciting new initiative.

NURSE JOB VACANCY

The School Health Team is currently seeking staff. Are you a nurse looking for flexible / casual / term time hours? HRCH are recruiting bank nurses to their school immunisation team locally.

Training and revalidation support offered as part of this role www.jobs.nhs.uk Job reference: 779-BANK-1714128'.

CLEAN KITCHENS!

Congratulations to Miss Power and the kitchen team for achieving 5 stars in the environmental health check held on Tuesday. Well done!

WOODY'S WORLD

Gosh, it gets hot some days doesn't it? I wish I could take my fur coat off like the children can take off their jumpers and cardigans! I hope they are all labelled so they know which is which, as they all look the same to me – a very smart emerald green.

I drink lots of water to help me stay cool, and I like that the children have water bottles so they can have a drink whenever they want one. Here are some doggy ideas on how to stay cool!

Love from Woody.

P.S. (PUPIL SLOT)

Hawthorn Class have been thinking about their favourite series of books:

"My favourite series of books is Alex Rider because of how it leads one story onto another. I also like the action and comedy. Another reason is that each problem in Alex Rider is unsolvable (him being on top of a mountain and there are 300 guards

surrounding it and he has to escape), but he solves them!"
– Dylan.

"My favourite book is Ruby Redfort because it challenges me with some hard words and it's really thick. Also, there's an entire series of them to keep reading! The author is called Lauren Child and she writes

children's books. Ruby Redfort is an American spy thriller novel!" - Charlotte.

SPORTS

We have started this half term by taking a team of six players to the Girls' Years 5 & 6 Kwik Cricket competition. Our girls played really well and certainly improved during each of their matches. They came second in their group so well done for their teamwork and encouragement throughout the event. Over the next few weeks we are also taking part in a Mixed Year 5 Cricket competition, Summer Relays and Years 3 & 4 Tri Golf.

We are also pleased to have gained the Gold School Games Mark for the second year in a row!

DATES FOR YOUR DIARIES

June

14th – non-uniform day in exchange for donations to Summer Fair

14th Y4 Music assembly 2.45 p.m.
